

# Hello

# Overview

- Element **One**
- **Second** is also important
- Important *sub* technology
- Important to notice as well...

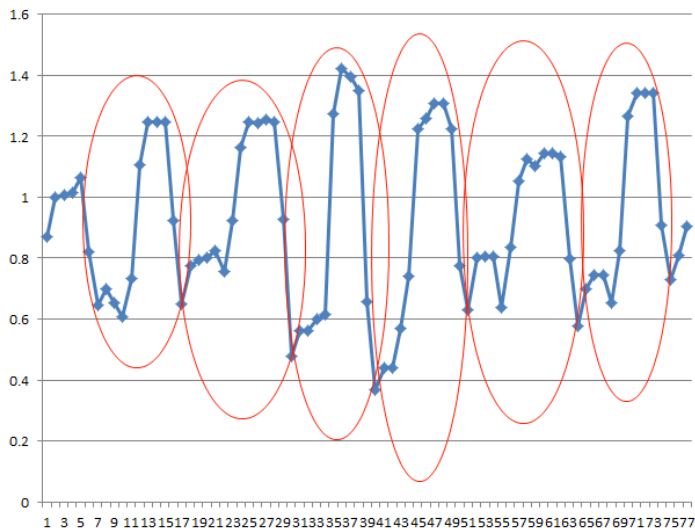

*Citation about the important goal!*

Plain HTML can be used as well!

# Mixed markdown and HTML

- Point 1
- Point 2

**Distraction free keynote!**

# Mixed with code highlight

- Point 1
- Point 2

```
class ExampleOfClass {  
    public static void main(String[] args){  
        System.out.println("SayHello");  
    }  
}
```
